

CAMP RESILIENCE

Partnering with local businesses to create resilient communities, Camp Resilience, a homegrown public charity, bolsters Veterans and First Responders by helping them rediscover their natural resiliency.

*Together,
we CAN make a difference.*

Our Mission...

“To leverage the scenic outdoors in the greater New England community to improve the physical, mental and emotional well-being of Veterans, First Responders, and their Families.

Camp Resilience facilitates outdoor recreational experiences, life-skills classes and facilitated therapeutic peer support- to empower participants.

Camp Resilience Retreats prepare and encourage participants to positively impact their home communities.”
